INTRODUCTION

RMBLack Pty Ltd (**RMBLack**) is an Australian Financial Services (AFS) licensee (AFS licence no. 521214).

This Financial Services Guide (**FSG**) is intended to inform you of certain matters relating to our relationship, prior to RMBLack providing you with any financial services.

It contains important information about:

- The financial services and financial products that RMBLack and its Representatives are authorised to offer you
- How RMBLack and its Representatives are paid
- Any relationships, associations or interests RMBLack or its Representatives may have that could influence the advice provided to you
- RMBLack's internal and external dispute resolution procedures and how you can access them

It is intended that this FSG should assist you in determining whether to use any of the financial services RMBLack and its Representatives offer you. RMBLack has authorised the distribution of this FSG.

YOUR ADVISER

Your adviser is a Representative of RMBLack, and is also referred to as the 'Representative' throughout this FSG. Financial advice is provided by your adviser in their capacity as a Sub-Authorised Representative of R M Black Morgan Management Pty Ltd (R M Black Morgan Management), a Corporate Authorised Representative of RMBLack. Further information regarding your adviser is contained in their Adviser Profile which is available upon request.

OTHER DOCUMENTS

RMBLack or its Representative may give you other documents when providing financial services to you. These documents may include:

Statement of Advice (SOA)

If you are provided with personal financial product advice, this advice may be provided to you in a SOA.

The SOA, where applicable, will take into account your personal needs, objectives, circumstances, and will include:

- our advice and recommendations to you, and the basis on which the advice and recommendations were made

- information in respect of any fees or commissions that are relevant to that advice
- any relationships, associations or interests that RMBLack or its Representatives may have that could reasonably be regarded as being capable of influencing the advice provided to you

Record of Advice (ROA)

Where RMBLack or its Representative has previously provided you with personal financial advice in a SOA (the previous advice) and you are provided with further advice in situations where your circumstances, needs, objectives and basis of the advice is not significantly different to the previous advice, the further advice will be documented in a ROA and RMBLack will keep a documented record of the advice.

You are entitled to request a copy of the ROA at any time up to 7 years from the day on which the advice was provided to you and a copy will be provided to you free of charge.

Product Disclosure Statements (PDS)

Where a financial product is recommended to you and that financial product is not listed on a licensed Australian financial market (such as the ASX), RMBLack or its Representative may provide you with a PDS or other disclosure document issued by the product provider. The PDS contains information about the risks, benefits, features and fees payable in respect of that financial product and will assist you in considering whether you would like to acquire that financial product

NOT INDEPENDENT

While we will always seek to meet our legal obligations to act in our clients' best interests within the meaning of section 961B of the Corporations Act 2001, we do not fall within the strict definitions of "independent", "unbiased" or "impartial" under section 923A. The reason we do not fall within these definitions is because we give our clients the option to allow life insurance companies to pay us commissions for the services that we provide to our clients rather than for us to be required to directly invoice our clients and for our clients to be required to pay us directly. We remain committed to continue to give our clients this important choice.
